+ INSPIRE SUMMIT

Course description

Smith+Nephew's inaugural flagship sports medicine summit is the ultimate global platform for innovation and collaboration. This prestigious symposium brings together the world's leading experts, practitioners, and thought leaders in knee, shoulder, foot & ankle, and hip surgery.

This 2 day symposium offers an unparalleled learning experience through interactive case presentations, live surgical demonstrations, dynamic debates, and intimate fireside chats. Participants will explore the latest advancements, debate emerging controversies, and gain valuable insights into the future of sports medicine.

Join us in Madrid for a unique opportunity to connect, collaborate, and be inspired by the best in the field.

Course objectives

- Identify and describe the latest advancements and evidence-based practice in knee, shoulder, foot+ ankle and hip surgery.
- Demonstrate the ability to integrate innovative surgical techniques into clinical practice to enhance patient outcomes.
- Develop comprehensive, patient-centered treatment strategies by refining surgical techniques for complex sports medicine challenges.

Participant profile:

- Consultant orthopaedic surgeons specialising in knee, shoulder, foot + ankle and hip surgery seeking to refine their skills and stay updated on the latest surgical advancements.
- Fellows eager to learn from world renowned experts and enhance their clinical and surgical knowledge.
- Advanced level of English language skills
