

Smith+Nephew

All tears, all repairs: 'How I save the meniscus'

Smith+Nephew Symposium:
BASK Congress 2026

Tuesday 14 April

12:30 – 12:55

HIT Seminar Theatre B

Sanjay Anand
Manchester

Nick Smith
Coventry

**Rahul
Bhattacharyya**
Glasgow

This symposium will engage expert faculty in a dynamic, evidence-focused discussion of meniscal repair techniques and clinical cases. Participants will gain a deeper understanding of repair strategies for complex tear patterns and how these techniques can be incorporated into soft-tissue practice to improve patient outcomes.
