

Hi!

We will show you how easy it is to change the platform language. Once you access the electronic form that requires your validation, you will be able to select your preferred language.

Step 1. Start with logging in. Use a one-time passcode to access the electronic form that requires your validation. Once done, click **"Verify code"**.

Welcome to Partner Collaboration

POWERED BY ORO

Please Enter Your One-Time Passcode (OTP)

A 6 digit verification code is sent to mar*****@smith-nephew.com

7	3	3	0	9	2
---	---	---	---	---	---

Step 2. Provide your name and last name. Once done, click **"Save and proceed"**.

The screenshot shows a registration form with the following fields and values:

- First name: Beth
- Last name: XXX
- Role: (empty dropdown menu)
- Phone (optional): (empty text field)
- Email: [redacted]@smith-nephew.com

At the bottom of the form, there is a "Verified" status indicator with a green checkmark, and two buttons: "Back" and "Save and proceed".

Step 3. Go to top right corner and click **"English"** to expand the drop-down list.

The screenshot shows the Smith+Nephew portal interface. At the top left, the logo 'Smith+Nephew' is visible. At the top right, there is a language selector set to 'English'. The main content area displays 'Request ID: ORO-316' and 'Requested on: Jun 23, 2025'. Below this, a section titled 'Supplier bank update collection' is marked as 'Action pending'. It includes a 'Start' button and a 'Submit details' button. To the right, there is a 'Got questions? Message us' section with a 'Request Info' button, and a 'Smith+Nephew Sandbox contact' section with a user profile for 'Requester'. Below that is a 'Your team' section with a user profile for 'Beth XXX'.

Step 4. Select your preferred language and click **"Confirm."**

This screenshot shows a 'Language' dialog box overlaid on the portal. The dialog has a title bar with a close button (X). The text inside reads 'Select your preferred language'. A dropdown menu is open, showing 'English' as the selected option. At the bottom of the dialog are 'Cancel' and 'Confirm' buttons.

This screenshot shows the same 'Language' dialog box, but now 'Italian (Italiano)' is selected in the dropdown menu. The 'Confirm' button is highlighted in green, indicating it is the active button.

Step 5. The language has been changed to align with your preferences.
