Smith+Nephew

Academy

Education + Innovation + Excellence

Wednesday, Oct 1, 2025
Evening Arrival

Thursday, Oct 2, 2025
Course 7:00 am - 5:00 pm

Friday, Oct 3, 2025
Evening Departure

Location: The Roosevelt New Orleans, 130 Roosevelt Way, New Orleans, LA 70112

Course Description

Through hands-on lab experiences and brief demonstrative lectures, attendees will develop skills and knowledge related to the treatment of advanced shoulder sports medicine pathologies. Attendees will work alongside leading experts on current trends and techniques in orthopaedic sports medicine surgery.

Learning Objectives

At the completion of this course, participants will be able to:

- Describe strategies for rotator cuff management with biologic augmentation.
- Identify solutions for treating complex shoulder instability
- Apply techniques for open and arthroscopic shoulder instability procedures.

Intended Audience

This course is designed for intermediate to advanced shoulder sports medicine surgeons.
