

## Revisions to Smith+Nephew 2024 Annual Report and Sustainability Report

Following approval and release by Smith+Nephew’s Auditors and Board of our 2024 Annual Report and Accounts and our Sustainability Report, we highlight the following revisions to the data and information included.

There is a typesetting colour error on page 168 of the Annual Report relating to the key for the chart showing **Total Shareholder Return vs FTSE 100**.

- The data utilised is correct but the grey line on the chart should have been shown in orange, and the orange line should have been shown in grey. Readers should take this into account when reviewing the chart.

Our donation partner, Integrated Health Partners (IHP), has informed us of inaccuracies in certain 2024 data values provided to Smith+Nephew by IHP in connection with **product donations** received by IHP.

- The below table sets out the revisions to the relevant data values by way of an update to our published Annual Report and Sustainability Report:

| <b>Revised 2024 data</b>  | <b>Originally reported 2024 data</b>  | <b>Report pages affected</b>  |
|---|---|---|
| Total patients treated with donated products is approximately 195,000+  | Total patients treated with donated products is approximately 380,000+  | Annual Report: pages. 16, 19, 66, 99<br>Sustainability Report: pages. 4, 11, 14, 20 |
| More than 325,000 patients helped over course of Smith+Nephew’s longstanding relationship with IHP                                      | More than 500,000 patients helped over course of Smith+Nephew’s longstanding relationship with IHP                                    | Annual Report: page. 66<br>Sustainability Report: page. 14                          |
| Approximately \$5.5 million in product donations in 2024  | Approximately \$6.9 million in product donations in 2024  | Annual Report:<br>Sustainability Report: page 20                                    |
| Giving activities totalled approximately \$5.6 million, comprised of \$5.5 million in product donations and matched giving at \$105,000 | Giving activities totalled approximately \$7 million, comprised of \$6.9 million in product donations and matched giving at \$105,000 | Annual Report: page. 99<br>Sustainability Report: page. 20                          |
