

## CORI<sup>o</sup> Surgical System

Pursuant to 35 U.S.C. § 287(a), the below products are covered by or for use under one or more of the U.S. Patents listed below and their foreign counterparts. This list was last revised on March 28, 2025. Other patents issuing after the date of the last revision may also cover the products listed below but may not be included until this list is next revised. The below products may be sold individually or as part of a combination product.
